COMMON PLEAS COURT.—The trial of Pe ter Nelson, on charge of assaulting with intent to kill Lucretia Graves, was commenced this morning in the Common Pleas Court of this County. It will be remembered that Peter is the young man of color, who being desperately in love with Lucre tia, who did not return his ardent affection attempted to settle the matter and prevent her marrying any one else by taking her life. The case does not attract much attention, as Lugretia has recovered and seems as well as ever.

The Japanese Troupe made their first appearance last night before a large and fashionable audience in Turner's Opera House. The novelty of the entertainment, and the skillful and amusing feats of daring and necromancy, delighted the audiing and necromancy, delighted the audience; all went home well satisfied with the performance. The wonderful and extraordinary skill of little "All Right" excited the admiration of all and is alone worth the price of admission.
